

MARCH BREAK GROUP

Grades 1 – 4

MARCH 16 – 20, 2026 | 1:00 – 3:30 PM

\$375 per student

Join us for learning and creativity in a fun, supportive indoor environment led by experienced tutors! Each day, students explore a new theme through art and design, creative and structured writing, math games and problem-solving, and hands-on STEM challenges. Activities align with the Ontario Curriculum while keeping learning playful and engaging. Limited enrolment allows for individual support and confidence-building. Skills developed including reading and writing, math reasoning and number sense, creativity and critical thinking, and collaboration and communication. It's the perfect March Break plan for students who enjoy learning through creativity!

All materials included. Students must bring their own snack.

Email belleville@studypartners.ca to reserve your spot!
